Looking ahead

Recognise enhanced impact

Reflect on recent successes

Identify future opportunities

Elevate to ministerial attention

Lead Interventions:

- Rosalinde van der Vlies, European Commission
- Rodrigo Pinto Scholtbach, The Netherlands

Open Discussion:

CEM Members and Partners

Guiding Questions:

- Do you find the sector-specific narrative approach (e.g. Power and Future Fuels) useful?
- Do you see any further opportunities where sectoral narratives could support stronger coordination, engagement, and impact across the CEM Work Programme?
- How can we create opportunities for bringing these to the attention of CEM Ministers, and how to use them to get Ministers excited about CEM outcomes?

Wrap up and Closing

Breakout session
