

Equal by 2030

A campaign associated with the CEM Clean Energy Education and Empowerment Initiative.

The campaign will be prominently featured at CEM10 in Vancouver, Canada.

Goals

The campaign aims to have governments and companies take action on gender diversity by committing to a set of common principles, then taking actions that support gender equality in the areas of equal pay, equal leadership and equal opportunities.

Lead CEM Member(s)

Canada

Sweden

Participating CEM Member(s)

Sweden, Canada, Finland, Italy, France, Germany, Japan, the U.K., the U.S.A. and over 40 private sector companies have endorsed Equal by 30

Operating Agent(s)

Equal by 30 has partnered with Women in Renewable Energy (WiRE), Electricity Human Resources Canada (EHRC), and the Energy Council of Canada. The International Energy Agency (IEA) also plays a vital role on international outreach and engagement.
