Agenda

5

- ✓ Welcome and Introductory Remarks
- ✓ Overview of the [Clean Energy Solutions Center](#)
 - **Sean Esterly**: National Renewable Energy Laboratory
- ✓ Presentations - Panelists:
 - **Christine Lins**: Executive Secretary of REN21
 - **Michael Waldron**: International Energy Agency
- ✓ Closing Remarks
- ✓ Survey

Clean Energy Ministerial & UN Partnership Supporting the Solutions Center

6

- Clean Energy Ministerial (CEM) launched the Clean Energy Solutions Center in April, 2011 for major economy countries
 - One of eleven CEM Initiatives
 - Led by Australia and U.S. with other CEM partners
- Partnership with UN-Energy is extending scope to support all developing countries
 - Enhance resources on policies relating to energy access, small to medium enterprises (SMEs), and financing programs
 - Offer expert policy assistance to all countries
 - Expand peer to peer learning and training

Clean Energy Solutions Center

<http://www.CleanEnergySolutions.org>

7

Goals

- Serve as a first-stop clearinghouse of clean energy policy resources.
- Share policy best practices, data, and analysis tools across countries.
- Deliver dynamic services that will enable expert assistance, learning, and peer to peer sharing of experiences
- Foster dialogue on emerging policy issues and innovation across the globe.

Target Audiences

- Primary:
 - Energy policy makers and advisors
 - Analysts
- Secondary:
 - Private sector companies,
 - Energy entrepreneurs and investors
 - Non Governmental Organizations
 - Civil society
 - Others engaged in clean energy

Ask an Expert: Our Experts in Action

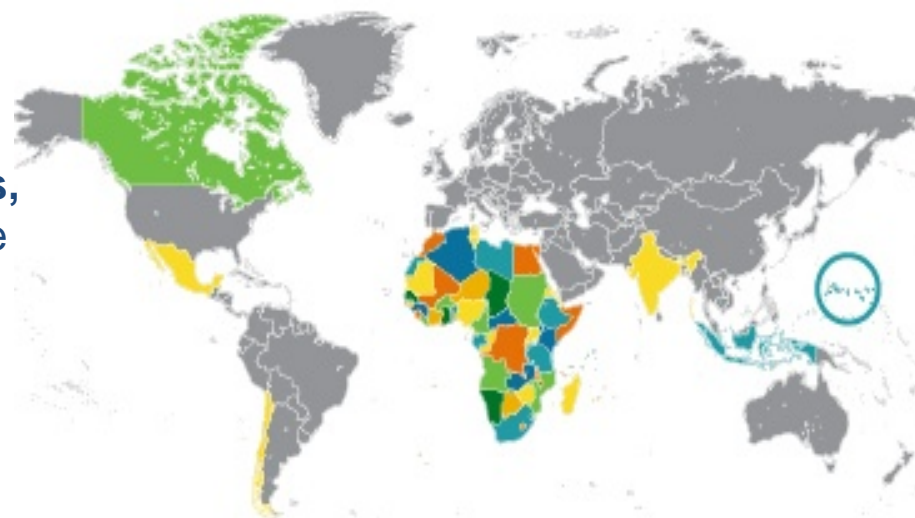

8

We connect you to a global network of energy experts for personalized attention and quick response technical assistance on **strategies, regulations, standards, financial incentives, and deployment programs** for a broad range of clean energy sectors and technologies including:

- Renewable Energy
- Energy Access
- Energy Efficiency
- Smart Grid
- Transportation
- Utilities

How You Can Get Involved

9

- Request expert assistance or tailored technical resources for your country
- Participate in webinars, training activities, and policy networks
- Offer advice and suggest resources to share
- Register for our newsletter

Christine Lins : Executive Secretary of REN21

10

Christine Lins

Christine Lins was appointed as Executive Secretary of REN21, the Renewable Energy Policy Network of the 21st Century, in July 2011. During the last 10 years, she served as Secretary General of the European Renewable Energy Council, the united voice of Europe's renewable energy industry. Lins has more than 17 years of working experience in the field of renewable energy sources. Previously, she worked in a regional energy agency in Austria promoting energy efficiency and renewable energy sources. Lins holds a master's degree in international economics and applied languages.

Michael Waldron- International Energy Agency (IEA)

11

Michael Waldron

Mr. Michael Waldron is a market analyst in the International Energy Agency's Renewable Energy Division. He is the project leader and a main author of the IEA's Medium-Term Renewable Energy Market Report. At the IEA he has previously worked as an oil markets and biofuels analyst. Prior to joining the IEA, Mr Waldron worked as a senior energy markets analyst at Lehman Brothers in New York and London. Mr Waldron obtained his MA in International Energy Policy & International Economics at Johns Hopkins University, School of Advanced International Studies (SAIS) and his BA in Economics & Government at Cornell University.

Time for Q&A
